## Filter

### Minimum Total Spectrum Count

The numeric input is to set up a threshold so that only protein groups whose total spectrum count is greater than this threshold will be included for following analysis.

## Protein Group

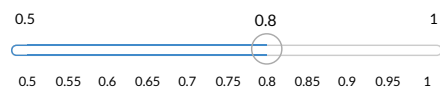

### Confidence

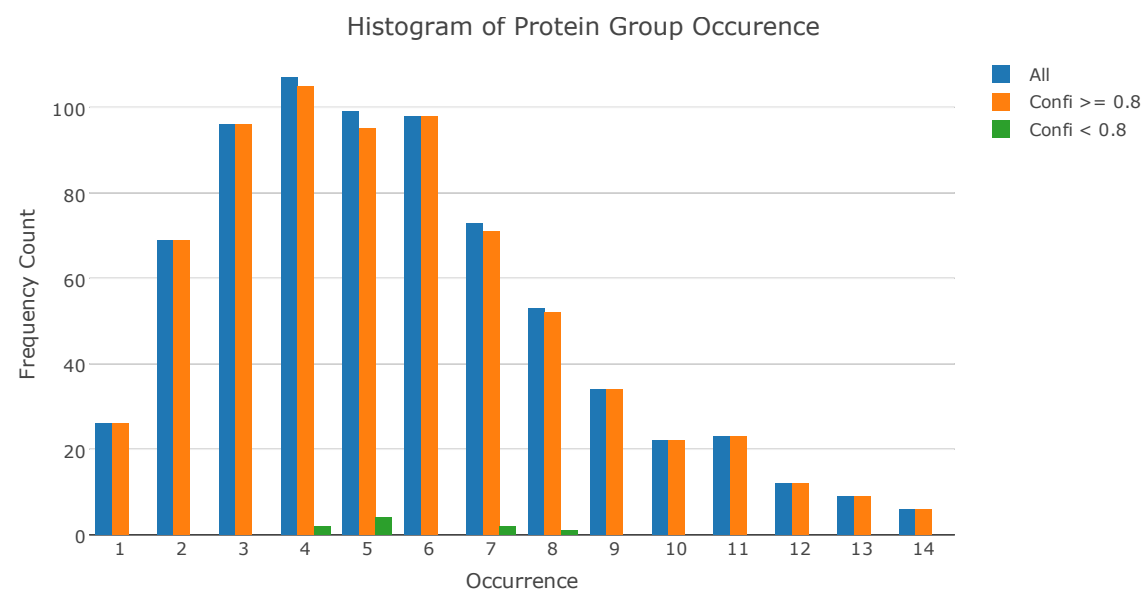

Histogram of Confidence Level of Protein Groups

### Occurence

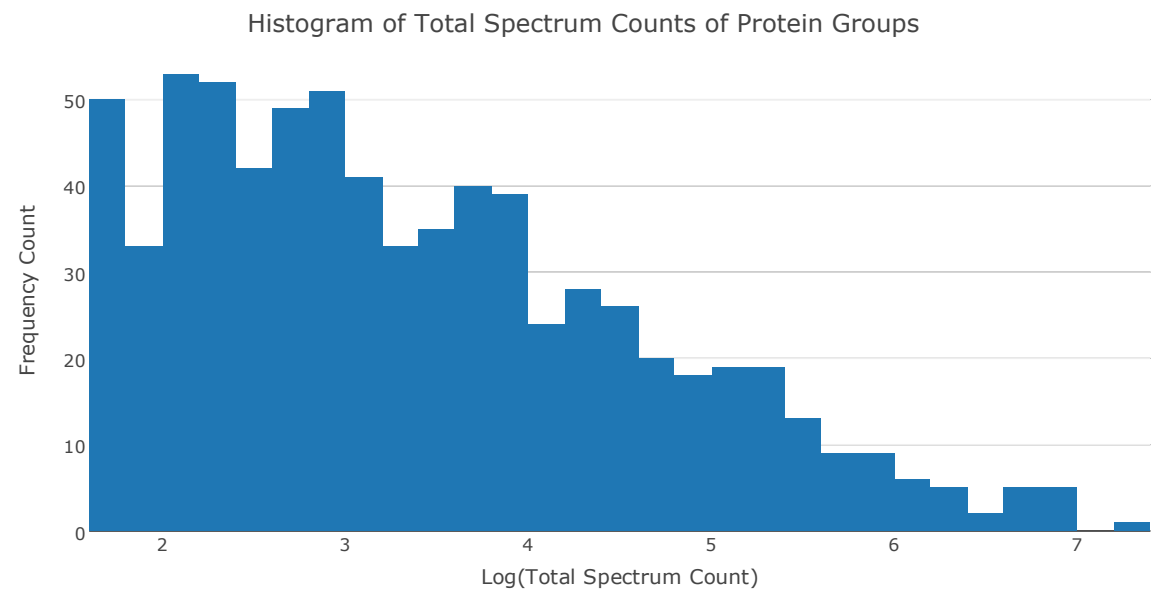

#### Confidence Threshold

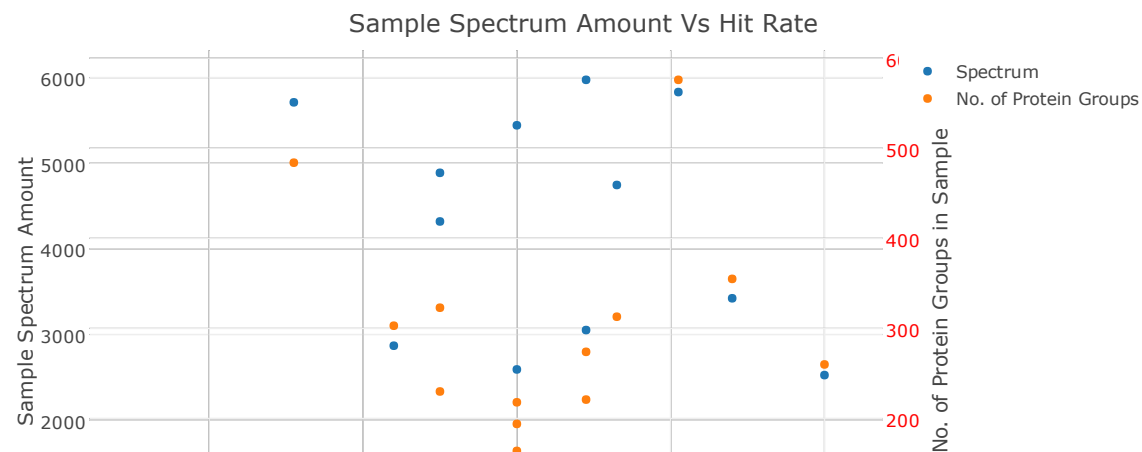

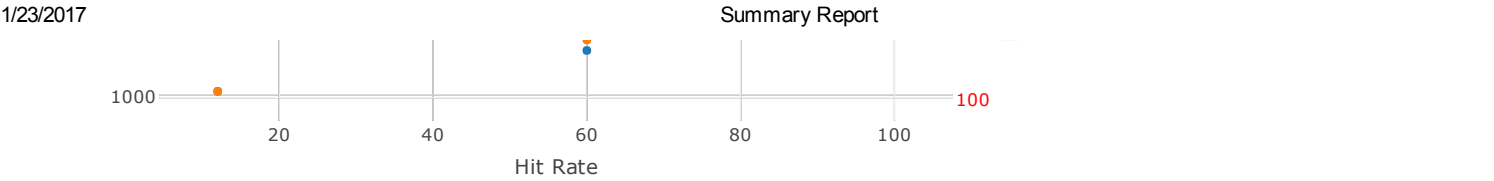

## Total Spectrum Count

Min.	1st Qu.	Median	Mean	3rd Qu.	Max.
6.00	11.00	23.00	74.19	68.00	1581.00
